Developmental Biology

An International Journal Published under the Auspices of the Society for Developmental Biology

EDITOR-IN-CHIEF: Peter J. Bryant

ASSOCIATE EDITORS

Merton Bernfield
Ira B. Black
Scott E. Fraser
John C. Gerhart
Corey S. Goodman
H. Robert Horvitz
Laurinda A. Jaffe
William F. Loomis
Anne McLaren
Elliot Meyerowitz
Bjorn R. Olsen
Bruce M. Paterson
Ralph Quatrano
Rudolf A. Raff
Janet Rossant
Davor Solter
Victor D. Vacquier
Virginia Walbot
Lewis Wolpert

EDITORIAL ASSISTANT: Jayne M. Sutton

ADVISORY EDITOR
Anthony P. Mahowald

No part of this publication may be reproduced or transmitted in any form, or by any means, electronic or mechanical, including photocopy, recording, or any information storage and retrieval system, without permission in writing from the copyright owner.

The appearance of the code at the bottom of the first page of an article in this journal indicates the copyright owner's consent that copies of the article may be made for personal or internal use, or for the personal or internal use of specific clients. This consent is given on the condition, however, that the copier pay the stated per copy fee through the Copyright Clearance Center, Inc. (27 Congress Street, Salem, Massachusetts 01970), for copying beyond that permitted by Sections 107 or 108 of the U.S. Copyright Law. This consent does not extend to other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale. Copy fees for pre-1987 articles are as shown on the article title pages; if no fee code appears on the title page, the copy fee is the same as for current articles.
